

FREE PROGRAM TO **ELIGIBLE** 3- or 4-YEAR-OLD CHILDREN IN LAS CRUCES

Our program accepts enrollees from Title 1 schools within the Las Cruces Public School district

MONDAY – FRIDAY 8:00 am to 2:00 pm

575-523-1616

STUDENT MEALS

Our program provides children with a nutritious breakfast, lunch, and snack at no cost to families. Meal time is a perfect learning opportunity, and teachers use this time to teach skills and to reinforce healthy eating habits.

FAMILY ENGAGEMENT

Family engagement is an essential component of our programs. Our PreK supports parents/families as their child’s first and most important teacher. We have developed a Family Engagement Plan which provides 90 hours of engagement activities throughout the school year. Families are invited to participate in all our events.

Health Screenings/ Developmental Screenings

Each child in the PreK program **must** receive the following health screenings by a school health care professional prior to the beginning of the program or within the first 30 days of attendance:

- ✓ physical examination
- ✓ current immunization

Additional screenings, ASQ will be completed at our facility at no cost to families. COVID guidelines prohibit outside visitors; therefore, dental, vision, and hearing must be completed by your family doctor within the 30 day timeframe.

The Village is a four-star program working toward a five-star designation and Ashley’s Garden is a five-star program, that focuses on child development, growth and learning to provide the greatest opportunity for success in kindergarten and later school years. Our Montessori-based curriculum utilizes a multi-sensory approach to learning—incorporating a comprehensive array of integrative movement activities and special programs which support NM PreK Early Learning Outcomes. We support the full participation of every child through curriculum components that address dual language learners while exposing the children to sign language and various cultures from the world. The curriculum is theme-based with emphasis on learning through play and the development of positive social relationships, which leads to the development of academic skills. Families, who are children’s first and most important teachers, are encouraged to participate in our program through an extensive list of activities. Our PreK programs are based on attendance and family involvement.

PreK ensures that every child in New Mexico has the opportunity to attend a high-quality, early childhood education program before entering kindergarten. The purpose of New Mexico PreK is to:

- increase access to voluntary high-quality pre-kindergarten programs;
- provide developmentally appropriate activities for New Mexico children;
- expand access to early childhood programs across New Mexico;
- support linguistically and culturally appropriate curriculum; and
- develop school readiness in those served.

PreK teachers carefully plan indoor and outdoor activities based on what children are required to learn in the following areas:

- listening, language, reading, and writing
- science
- counting, shapes, sorting, and measuring
- coordination, hygiene, health, and well-being
- art, music, and movement

Instructions: This letter must accompany the Income Eligibility Application.

Dear Parent / Guardian or CACFP Participant:

GYM MAGIC KIDS: The Village Participates in the Child and Adult Care Food Program (CACFP) administered by the United States Department of Agriculture. Please help us comply with the requirements of the CACFP by completing, signing, and returning the attached statement as soon as possible. This information is necessary to decide the level of CACFP reimbursement your center is eligible to receive for the meals served to children and/or adult participants in our program. This form will be treated as confidential information. All participants in our program receive their meal free of charge, but the determination of eligibility category affects the amount of federal funding we receive.

Foster Children: A foster child enrolled in our program that is the legal responsibility of a welfare agency, or court may be certified as eligible for free meals regardless of your household income. Please refer to the instructions on how to complete the Income Eligibility Application form.

SNAP - Supplemental Nutrition Assistance Program (formerly the Food Stamp Program): If your household is currently receiving benefits under the Supplemental Nutrition Assistance Program (SNAP) or Food Distribution Program on Indian Reservations (FDPIR) and your child is enrolled in a child care center you need only to list the case number sign and date the form.

If your household is receiving benefits under the Supplemental Nutrition Assistance Program (SNAP), Supplemental Security Income (SSI), Medicaid or Food Distribution Program on Indian Reservations (FDPIR) and an adult in your home is enrolled in an Adult Daycare Center then you need only to list their case number sign and date the form. Otherwise, an adult household member must complete the form and disclose total current household income by source, and the names of all household members. The person completing the form must sign, provide a social security number, and date when completed.

The income you report must be last month's total gross household income listed by source, for each household member. If last month's income does not accurately reflect your circumstances, you may provide your annual income, or you may use last year's income if no significant changes have occurred. If your households' income is equal to or less than the amounts indicated for your households' size on the chart below, your provider may qualify for maximum reimbursement rates. The Department of Agriculture defines a household as a group of related or unrelated individuals (not residents of a boarding house or an institution) who are living as one economic unit (i.e., sharing living expenses).
